

So - You want to tie knots?

A diver ought to be able to tie the following -

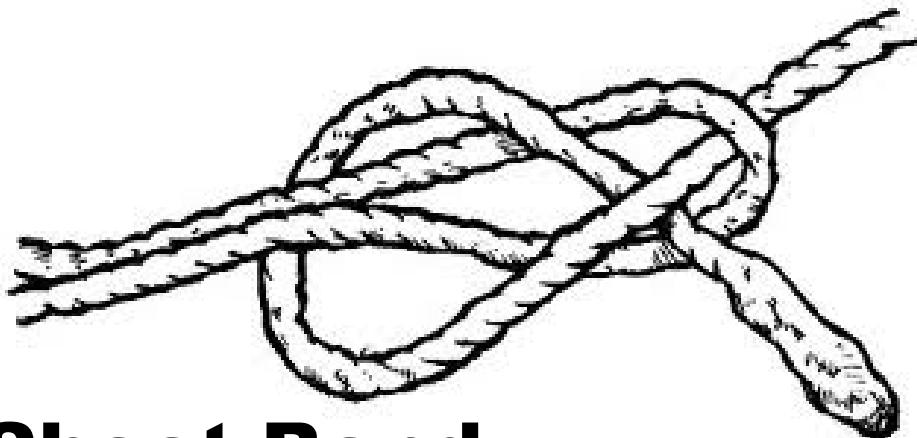

Sheet bend

Clove hitch

Bowline

Round turn and two half hitches

Anchor hitch

Sheet Bend

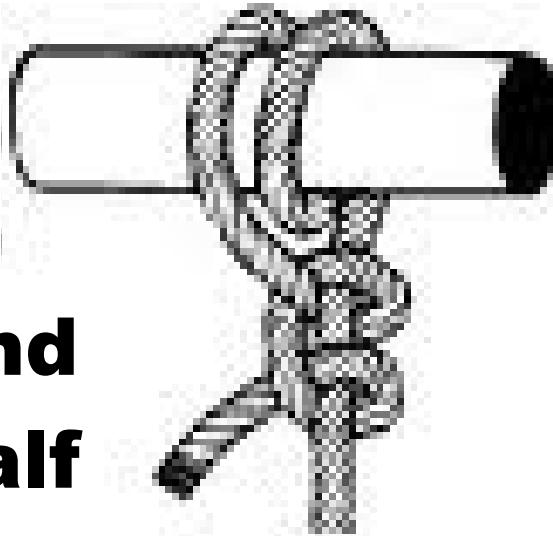

Clove Hitch

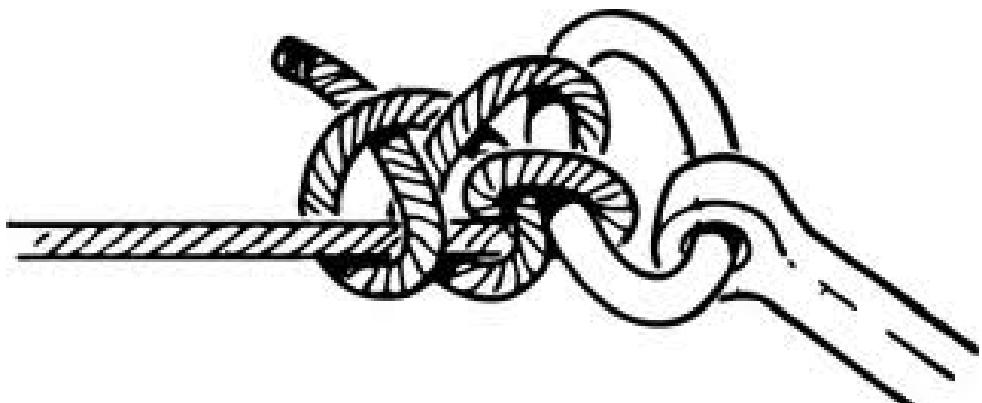

Bowline

Round Turn and Two Half Hitches

Anchor Hitch

HULLO is the newsletter of the Hull Branch of the British Sub-Aqua Club.
Please send your contributions to the Editor - Don Wilson - don@poorlyleg.karoo.co.uk

When I left the Burton Club the chairman made a nice speech which ended with -

“Actually we’re bloody glad he’s going,

Now we can tie any knot we like”

Don
